

## REMARKS

The Specification has been amended to add sequence identifiers in the description of Figure 7 and at page 18. None of the amendments made herein constitutes the addition of new matter.

The Sequence Listing filed herewith includes sequences 51-56, which are supported by as-filed Figure 7 of the as-filed International Application from which the present application is derived. Sequences 57-58 are supported at page 18, lines 18-21 of the as-filed International Application from which the present application is derived.

## Conclusion

It is believed that the present submission does not necessitate the payment of any fees pursuant to 37 C.F.R. 1.16-1.17, nor are any extensions of time needed. If this is incorrect, however, Applicants respectfully request the necessary extension of time and the Patent Office is authorized to charge any fees due under the referenced Rules to Deposit Account No. 07-1969.

Respectfully submitted,

Donna M. Ferber
